

Syllabus for GE 192
College Math II
Winter 2010

Teacher: Dr. Michael Lawton

Email: RLawton@itt-tech.edu

Web Page: <http://www.rmlawton.com/teaching.html>

My expectations of you: I expect that you will come to class regularly, maintain an open mind, do your very best to be interested in the stuff we are talking about, and that you will maintain a cheerful demeanor. I expect you to complete all of your assignments and study for exams. I expect that you will ask questions and badger me until you understand. I expect you to be kind to your classmates.

What you can expect of me: You can expect that I will treat you with respect and kindness, that I will try to the best of my abilities to return graded material in a timely manner, and that I will be entirely fair. You can also expect that I will maintain an open and friendly classroom environment.

Extra Credit Opportunities: Throughout the quarter, I will provide a number of extra credit opportunities. Some of these will be declared on-the-fly and some will be formally assigned.
